

SDC and Office Building Project OFFSITE IMPROVEMENTS

CONSTRUCTION ADVISORY

Week of: Monday July 5, 2010 – Sunday July 11, 2010

Jobsite Location: 14th Ave. S.E. and Jefferson St. S.E.

Project Standard Work Hours: 7:00 a.m. – 5:30 p.m.

Major Work Activities This Week:

- Work for installation of underground power, data and communication lines will continue. Demolition/ excavation for utility trenches and installation of vaults will be largely concentrated on the south side of the residential, or North 14th Avenue S.E. and at the intersection corner of residential 14th Avenue S.E. and Jefferson St S.E. ***Please note: Steel plates will likely be placed in the roadway as this work progresses in stages across 14th Ave. S.E., vehicle and bicycle traffic are reminded to please be aware of changed road conditions and slow down while driving thru construction zones***

Non-Standard Work Hours and Activities:

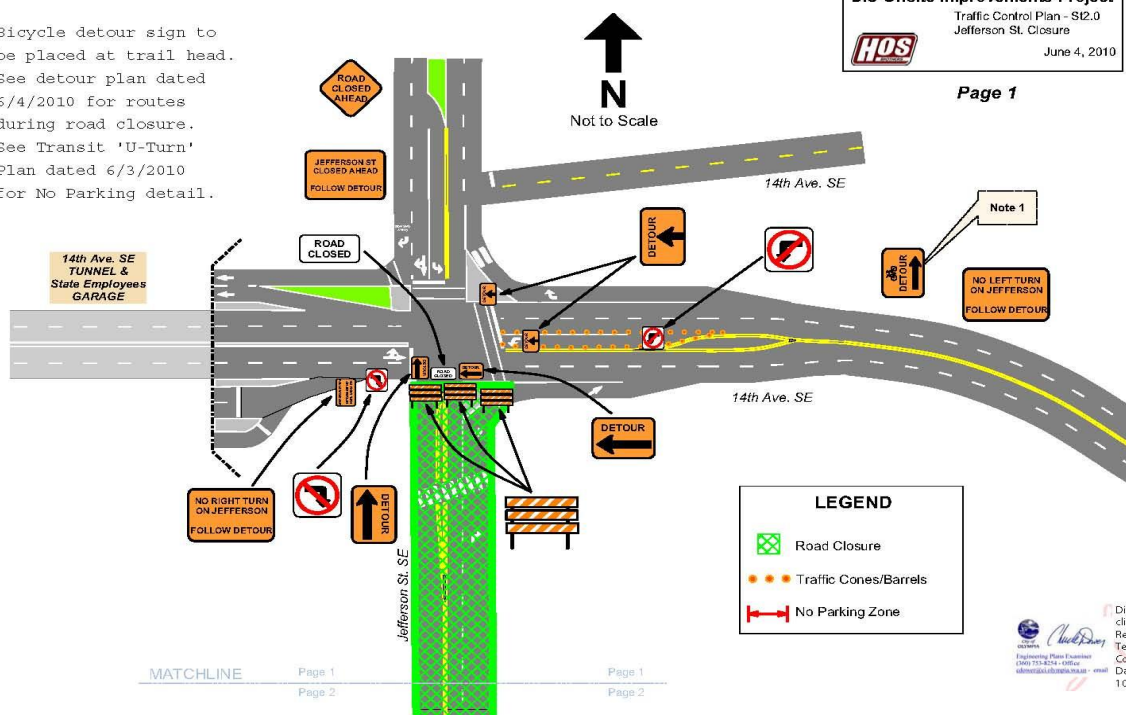

- Excavation for installation of underground power, data and communication lines will likely occur on Saturday, July 10th, depending on the weather.

Street Closures / Impacts:

- Jefferson Street between 16th Avenue and 14th Avenue will remain closed until the completion of the round-about construction and Jefferson Street improvements currently scheduled to be in mid December 2010.
 - Signed detours remain in place for vehicle as well as bicycle traffic; bicyclists should continue to note that bicycle traffic is not permitted in the 14th Avenue tunnel.
 - Select “No Parking” signs remain in place at Maple Park Drive S.E. and Jefferson Street S.E. to safely provide adequate room for buses to make required u-turns during the closure of Jefferson St. SE.
- **Beginning Tuesday, July 6th, Jefferson Street sidewalks between 16th Avenue and 14th Avenue will be closed to all pedestrians and bicycles. Sidewalks will remain closed until the completion of the Jefferson Street improvements. Additionally, to complete the underground utility conversions on residential 14th Avenue S.E., some additional sections of sidewalks north of 14th Avenue S.E. will be closed temporarily.**
- The intersection of 14th Ave S.E. and Jefferson St S.E. will continue to be controlled by a traffic control officer or set to a flashing mode as necessary during construction activities to help facilitate the flow of vehicle, bicycle and pedestrian traffic. Traffic will be stopped intermittently during work in the roadway. Pedestrians will continue to be flagged through the intersection during construction; bicyclists will be flagged when using crosswalks.
- **All vehicle, bicycle and pedestrian traffic are reminded to please watch and obey traffic control officers and flaggers.**
